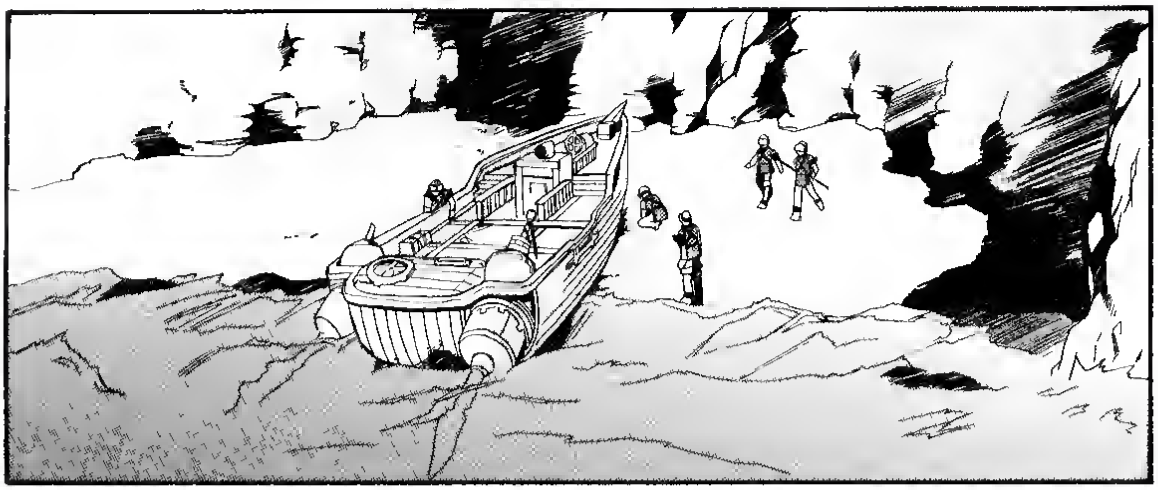
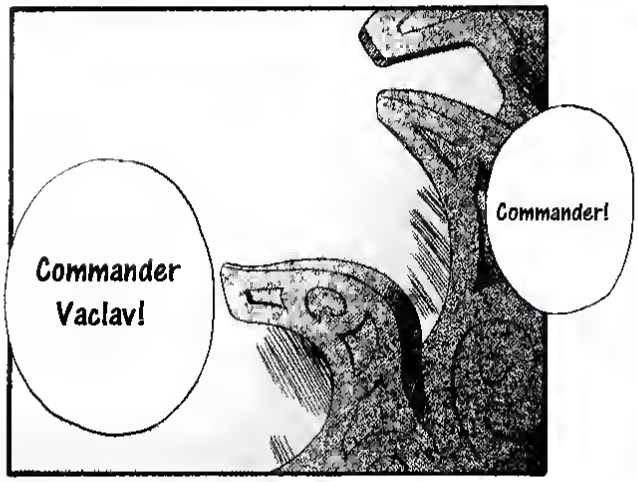
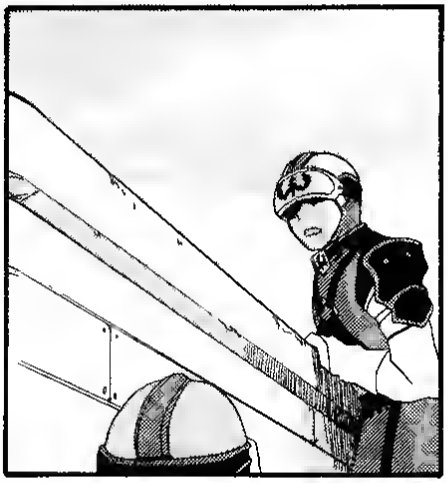
Chapter.3 RENCONTRE
SURPRISE



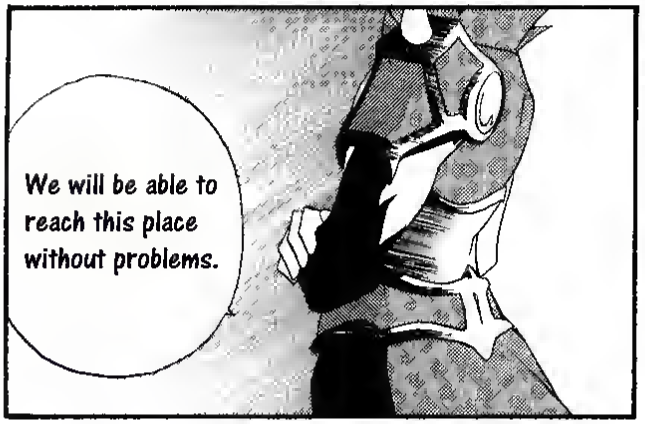


Commander Vaclav!
Commander!

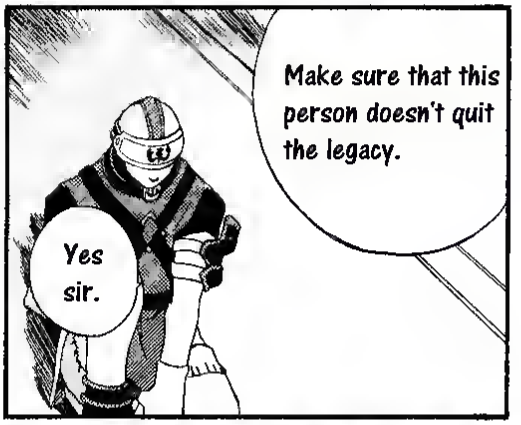


We found this ship.

I already knew since the pilar of light appeared.
HUMPH.



We will be able to reach this place without problems.



Make sure that this person doesn't quit the legacy.
Yes sir.

Yes... It is time for us to arrive.

HÉ !
Calm down, we will arrive shortly.
HOW LONG WILL IT TAKE BEFORE WE ARRIVE.
TO THIS BANDITS LAIR!?
This man who took Shirley... Who is he?

I didn't expect him to target the merines.
Translator note: Sorry, but I have no idea what they meant by merines in french.
He began, one year ago, his brigand gang on the ship.
He is the famous brigand Moses Sandor.
What do you mean by "control"?
It was said that... it was the merines that controled this ship.
They say that the merines can control the movements of the legacy.
Maybe he want to take control of the ship.

Take control of the ship...
Is it also what thoses guys want...?
But... what is it with this ship?
.....
Shit
"Chloe" is enought
But, Ms Valens...
Chloe, is comming with you really okay?
You must have your reasons to be on the Legacy, don't you?
Yes, I'm looking for someone, but it can wait.

Isn't it so, coolid...
Rescuing Shirley is our priority
